# EASY CARE

MUCH NATURE, LITTLE CARE

## 3-STRIP FLOORING

5G-C DROPDOWN | MICRO BEVEL | SPRUCE CORE

approx. 3,6 mm top layer

7-coats easy care PURE object lacquer protect the surface deep into the pores making it particularly hard-wearing. An optical variety through 6 different colours and two gradings, as Natural Knotty and Country. Pure Protect Floors offer the perfect basis for your personal design.

In addition to the advantages of our easy care surface, PURE PROTECT offers the look of a naturally oiled floor that does not require any special care. It also forms a symbiosis of comfort, aesthetics and functionality. Connecting individual needs through versatility.

# APPEARANCE<sup>2</sup>

## Gradings

Natural appearance with natural differences in colour and structure, healthy knots and small knotholes, dark puttied. No sapwood.

Lively appearance with strong differences in colour and structure, big knots and cracks, black puttied.

We make it easy for you to choose. Here you can find more information about gradings on our homepage. Just scan and decide.
